DESIGN

The Insight Center for Cognitive Development

INITIAL BRAND CONCEPTS

MARCH 4, 2026

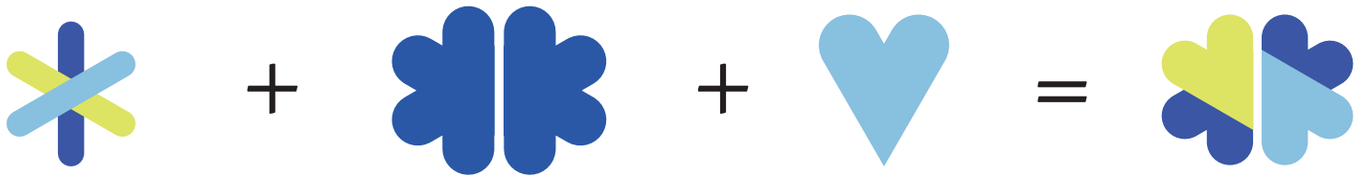
Concept One

PRIMARY LOGO

Insight Center

FOR COGNITIVE DEVELOPMENT

SYMBOL MEANING



Spark with three lines representing intellectual growth, ethical maturity, and spiritual depth

Two brain hemispheres. These represent Lonergan and Feuerstein, the thinkers behind the philosophical and psychological framework for the Insight Center

Beyond cognitive development, the Insight center also guides emotional and ethical faculties, represented by the heart shape

The intersection of these elements represents the various intersections the Insight Center is comprised of:

— Theory + Practice

— Research + Instruction

— Technology + Human Interaction
